Subject: Ecosystem Roundtable Meeting

The first Ecosystem Roundtable meeting will be held November 8, 1996 from 1:00 pm to 3:30 pm, in Room 1206 of the Resources Building at 1416 Ninth Street, Sacramento.

Attached you will find the agenda for the meeting, draft operating procedures, and a draft description of the Restoration Coordination Program for 1996-1997. The draft description of the Restoration Coordination Program for 1996-1997 document includes information on the goals and objectives for the Restoration Coordination Program, the role of the Ecosystem Roundtable, and the tasks at hand for 1996 and 1997. As my previous memo indicated, the objective of this first meeting is to provide feedback on this information including the mission of the Ecosystem Roundtable, the principles that will guide the Roundtable's activities, and the draft planning process outlined in the Restoration Coordination Program document.

If you have any questions or comments, please contact Cindy Darling, at (916) 657-2666. I am aware that some of you may not be able to make this date, but I strongly encourage you to attend if at all possible.
